Collect offering early allowing parents a chance to give/count offering

Inspiring Message/challenge – leading students to meet needs in their community

Share Time – what students learned during the event
Announce total

8:00 Students go home and sleep sweetly because they helped orphaned and vulnerable children have a place to sleep.

* At some point in the next week or so, we suggest you partner with a local orphan ministry, children's home, etc in your community to build on what the students learned in their Bible Study groups. Please schedule this before your INSOMNIA event and let students know about it with a handout at the end of the event.
